## PROFESSIONAL SUMMARY

Final-year Computer Engineering student (graduating 2027, 8.19 CGPA) with hands-on experience in Full Stack Development (MERN: MongoDB, Express.js, React.js, Node.js), REST API design, and AI/LLM-powered features using LangChain, LangGraph.js, and Retrieval-Augmented Generation (RAG). Proficient in JavaScript, Python, C++, and SQL, with practical exposure to FastAPI, authentication systems, and database design through internships at Apna College and Bluestock Fintech. 350+ problems solved on LeetCode with a 155-day consistent solving streak.

## EXPERIENCE

**Full Stack Development Apprentice at Apna College (Remote)** *Sep 2025 - Dec 2025*

- Designed, developed, and deployed full-stack web applications using HTML, CSS, JavaScript, Node.js, Express.js, and MongoDB.
- Implemented authentication, RESTful APIs, and CRUD operations following MVC architecture.
- Led backend integration and database design, contributing to a 30% reduction in system errors.

**Software Development Engineer (SDE) Intern at Bluestock Fintech (Remote)** *Mar 2026 - Apr 2026*

- Completed a remote SDE internship, contributing to software development tasks and real-world project work.
- Applied problem-solving skills across development workflows in a collaborative, industry-style team environment.

## TECHNICAL SKILLS

- **Programming Languages:** C, C++, Java, JavaScript (ES6+), Python, SQL
- **Frontend Technologies:** HTML5, CSS3, React.js, Bootstrap, Responsive Web Design
- **Backend Technologies:** Node.js, Express.js, FastAPI, RESTful API
- **Databases:** MongoDB, SQL, MySQL, Mongoose
- **AI/ML & LLM Tools:** LangChain, LangGraph.js, RAG, NumPy, Pandas, Scikit-Learn, Matplotlib
- **Developer Tools:** Git, GitHub, VS Code, Postman, JWT-based authorization, Langsmith
- **Other Tools & Technologies:** DSA (Data Structures & Algorithms), Problem Solving, OOPs (Object Oriented Programming)

## EDUCATION

- **BE - Computer Engineering | Dr.D.Y. Patil College of Engineering and Innovation, Pune** **8.19 CGPA | 2023-2027**

## PROJECTS

**Wanderlust - AI-Powered MERN Booking Platform** (LINK) *Nov 2025*

- Architected a full-stack Airbnb-style booking platform using RESTful APIs and MVC architecture, with Passport.js authentication, Cloudinary image uploads, and Joi-based validation for listings and reviews.
- Built an AI-powered booking assistant using LangGraph.js and Groq's Llama 3.3 70B API with an interruptBefore confirmation gate, and enabled semantic listing search via MongoDB Atlas Vector Search with local @xenova/transformers embeddings; integrated Mapbox/Leaflet for location visualization and Razorpay for payments.Integrated Mapbox for dynamic location visualization to enhance user experience.

**Tech Stack:** MongoDB, Express.js, Node.js, EJS, Bootstrap, Mapbox, Cloudinary, Razorpay, LangGraph.js, Groq

**Chat with PDF - Cerebras LLM** (LINK) *Jun 2026*

- Built a chatbot to query PDF documents using Retrieval-Augmented Generation (RAG).
- Implemented document chunking, embeddings, and semantic retrieval for accurate responses.

**Tech Stack:** Python, LLM, RAG

**SuppotAI – Agentic RAG Customer Support System with Embeddable Widget** (LINK) *Aug 2026*

- Built an agentic RAG pipeline with query grading, reformulation, and escalation logic using LangGraph, ChromaDB vector search, and Groq's LLM API to reduce hallucinated responses and auto-escalate unresolved queries.
- Integrated MCP (Model Context Protocol) for tool-calling (order status checks, ticket creation) and built an embeddable JavaScript chat widget clients can drop into any site via a single <script> tag.

**Tech Stack:** FastAPI, LangChain, LangGraph, MCP, ChromaDB, Groq, React, Vercel, Render

## CERTIFICATIONS

- Certified in Full Stack Web Development, demonstrating strong proficiency in Node.js, Express.js, JavaScript, React, MongoDB.
- Certified Generative AI Professional from Oracle.

## ACHIEVEMENTS

- Solved 350+ problems on LeetCode (C++), maintaining a 100-day consistent solving streak; earned the 50 and 100 Days LeetCode Badges (2025).
- Captained and won an Inter-College Cricket competition (SPPU Organised Championship), volunteered with the college sports committee to plan and execute inter-college sports events.
- Participated in Code-O-Vita, organised by DYP Pimpri.
